PRODUCTS AT QUALITY
PRICES & SERVICE IS
WHAT WE PREFER"**

CREATIVE PAINTS PVT. LTD.

manufactures a wide range of paints for decorative use and also provides solutions to industrial requirements. The company has come a long way since its beginning back in 1992 starting from supplying of basic raw

material required in manufacturing of paints having a wide range of products in paints segment. After being successful in supplying raw material to multiple manufacturers, a step towards further integration was taken and a paint manufacturing unit was

established. Company reflects the spirit of its Chairman Director Mr. Sanjay Agrawal who has refined a brand in market since 2003. The only paint company in M.P. region with a consistent track record of being one of the fastest growing companies, from past few years.

Our Vision is to become the most admired Indian paint company, with globally recognized competencies.

Our Mission is to provide outstanding customer experience through quality products, innovation and best-in-class service. We believe our success will come from exceeding customers' expectations and earning their loyalty.

**VISION,
MISSION
& VALUES**

**We at Creative Paints
Welcome your attention.**

Our mission is to exceed customer's expectations by providing excellent customer care through innovations by interacting with the younger generation of employees, understanding their views and drawing inspiration to keep organization's culture and imperatives relevant with times.

We focus our efforts in expanding the market by looking at the upgradation from bottom of the pyramid resulted in volume growth in Indian market. We continuously added products by launching new products and services, thereby providing you with the best quality at the best prices from market and overall value care. **I take this opportunity to thank everyone in unwavering support that continues to provide us the strength to forge ahead in our future endeavor.**

**"PRODUCTIVITY IS NEVER AN ACCIDENT.
IT IS ALWAYS THE RESULT OF A COMMITMENT
TO EXCELLENCE, INTELLIGENT PLANNING
AND FOCUSED EFFORTS."**

Welcome to Creative Paints Pvt. Ltd. It is a matter of pride that our success over the years has come without compromising on our integrity and quality of our products. With the company now being private limited and also launching its all new branding & packaging with some products to be add on in the list, Creative Paints continues to maintain a strong double digit growth rate.

We are planning to take our company to international markets along with the national presence in all India market. More than that, the board of management is laying the foundation to make our company limited in coming 5 years with listing our company in 100 cr. group in paints industry. As always customer needs and requirements will be centre of all our endeavors and we will continue to serve the best quality and services with complete customer satisfaction.

Thank You!

“PROGRESS IS A PROCESS OF GRADUALLY IMPROVING & GETTING NEARER TO ACHIEVING THE GOALS, ONCE A MILESTONE IS ACHIEVED THERE IS ANOTHER ONE WAITING TO BE CROSSED.”

Sanket Agrawal, Managing Director
